

Heartland Community Assessments Utilize Infographics and Data Presentation Methods that Everyone Can Use

Crime and Head Start Locations

Figure 91 indicates the crime rate by neighborhood. The highest Crime Rates are in areas that are shaded the lightest. The house icons indicate the location of a Head Start Center.

Y in Central Maryland
Catholic Charities
St. Vincent De Paul
Mayor's Office Baltimore County
Unison Baptist

Tell your story
so you can make great decisions

Using infographics is key in understanding the context for services and for making-decisions about your program. Heartland utilizes data sources that feed into representations of the needs in your community

- PERFORMANCE
- PRODUCTIVITY
- ACCOUNTABILITY
- COMPLIANCE
